- **Sarvjeet Singh (Centre for Communication Governance, India)**

#### Moderator:

- **Winston Roberts (IFLA Regional Committee for Asia-Oceania)**

# Some themes and questions

- **Access to information: progress from WSIS Action Line #3 to SDG #4: education & skills, literacy & numeracy**
- **Sustainable development requires equal access to economic resources**
- **Physical spaces? Schools & libraries**
- **Human rights – affirming the UNDHR**
- **Freedom of information & expression**
- **Privacy & ‘publicness’, can there be a ‘right to be forgotten’?**
- **Non-discrimination – SDG #5: gender equality**

# Towards 2030: a stronger role for the Internet Governance Forum?

- The IGF was mandated by the WSIS
- Focus on public policy issues (social, economic, cultural)
- Linking the regional IGFs to the global IGF
- Need to make IGFs more visible to a broader public?
- Need to link IGF work to national sustainable development plans?
