Advocacy Works

Hosted workshop in United Nations Internet Governance Forum (UNIGF)

Shared in Child Online Protection initiative (COP) Working Group of International Telecommunication Union (ITU)

Attended UNCRC Committee Day of General Discussion
We work with child rights partners in 53 countries for a kids-friendly Internet.
Regardless of the ownership of the domain, child related gTLDs should be run for the well-being of children.
Risk

Without appropriate safeguard will put children in high risk

Opportunity

Serve as a platform to link up all related stakeholders to strength the bonding of the community
