# NIS demanded to Hacking Team specific capability

Voice call recording on Samsung Galaxy S6, S6 edge is not supported?

If so, please tell me the reason for that.

And please let me use this feature soon, it's very important feature for us.

I have an agent using apps below on PC.

LINE(3.2.0.76)

KaKaoTalk

Please support messages and voice recordings extraction on applications above.

# Fishing email impersonating journalist

제 목 : 천안함 1번어뢰 부식사진 의문사항 문의(미디어 오늘 조현우 기자)

내 용 : 안녕하세요 「미디어오늘」의 조현우 기자입니다.

천안함 침몰원인에 있어 의문사항이 있어 질의 드립니다.

정부측에서 밝힌 어뢰에 쓰인 1번 글씨가 북한의 소행이라는 결정적인 증거라고 발표하였지만,

한국과 미국의 군사 전문가들로부터 많은 의문점을 제시하고 있는 상황입니다.

특히 미국측

조사반인 애플스 단장에 의하면 “어뢰 폭발의 열기에도 어떻게 글씨가 없어지지 않는지 의문이다”라고 의견을 피력하였습니다. 이와 관련하여 최근에 촬영된 1번어뢰

(부식이 상당히 진행) 사진을 첨부하여 보내오니 의견을 회신하여 주시면 감사하겠습니다.

첨 부 : 천안함 1번 어뢰사진 3매

최근에 촬영된 위 사진에서 볼 때 1번이라고 쓰여진 부분이 완전히 없어졌으며 최초에 북한군에서 적은 것이라면 이렇게 쉽게 없어질 수가 있는지 의문이 있습니다. 과연 과학적으로 이렇듯 글씨가 시간이 경과하면 없어질 수가 있는지 박사님의 의견을 듣고 싶습니다.

# Risks of Hacking Investigation

DRAFT EQUIPMENT INTERFERENCE CODE OF PRACTICE SUBMISSION

Joint submission by Privacy International and Open Rights Group to the Home Office consultation, 20

March 2015

- invade target's privacy too extremely
- undermine the security of a target
- concern on the integrity of evidence
- undermine the security of other users or entire internet
- fuel a commercial market for security vulnerability

# Necessary Conditions (if permitted at all)

DRAFT EQUIPMENT INTERFERENCE CODE OF PRACTICE SUBMISSION

Joint submission by Privacy International and Open Rights Group to the Home Office consultation, 20

March 2015

- high degree of probability of a serious crime or specific threat to a national security
- relevant evidence is highly likely to be obtained
- information accessed should be confined to that which is relevant
- when it is the least invasive option

## Necessary Conditions (if permitted at all)

- the security of target device should not be weakened
- the highest levels of judicial authorization needed
- stringent independent oversight is essential
- not be used to circumvent other legal mechanism
- not being shared with other agencies
- effective redress mechanism ensured
